

Wikipedia edit-a-thon!

Date: Wed 1st May, 2024 **Time:** 1pm-3pm

Location: Abacws Building - lab 2.35

Wikipedia's entries are not as diverse as they could be - come along and help us change that by learning how to become a wikipedia editor

What is it?

Join us for a Wikipedia Edit-a-thon, and learn how to edit and create Wikipedia articles. In this session you will learn about the core values and guidelines which help keep Wikipedia relevant and reliable. You will be shown how to edit and create articles before being given the opportunity to edit by yourself or in groups with help on hand at every step. No previous experience or technical skills are required - we can all contribute to Wikipedia, and help make to internet a better place!

Beth yw e?

Ymunwch â ni am Wicipedia Golygu-a-thon, a dysgwch sut i olygu a chreu erthyglau Wicipedia. Yn y sesiwn hon byddwch yn dysgu am y gwerthoedd craidd a'r canllawiau sy'n helpu i gadw Wikipedia yn berthnasol ac yn ddibynadwy. Byddwch yn dysgu sut i olygu a chreu erthyglau cyn cael cyfle i olygu ar ben eich hun neu mewn grwpiau gyda help wrth law ar bob cam. Nid oes angen unrhyw brofiad blaenorol na sgiliau technegol - gall pob un ohonom gyfrannu at Wicipedia, a helpu i wneud y rhyngryd yn lle gwell!

Our speaker

Jason Evans is the National Wikimedian and Open Data Manager at the National Library of Wales. He specialises in improving access to knowledge through Wikimedia platforms and has delivered a number of projects aimed at improving data and Wikipedia content in Welsh and about underrepresented subjects and peoples.

Pwy sy'n cynnal y sesiwn?

Jason Evans yw Wikimedian Cenedlaethol a Rheolwr Data Agored yn Llyfrgell Genedlaethol Cymru. Mae'n arbenigo mewn gwella mynediad at wybodaeth drwy lwyfannau Wikimedia ac mae wedi cyflawni nifer o brosiectau sydd â'r nod o wella data a chynnwys Wicipedia yn y Gymraeg ac am bynciau a phobolaethau sydd heb gynrychiolaeth ddigonol.

Where?

The Abacws building is on Senghennydd Road, CF24 4AG. The lab is located on the left hand side of the 2nd floor. There are stairs in the foyer as well as the back side of the building. Lifts are located at the back of the building.

Lle a phryd?

Mae adeilad Abacws ar Ffordd Senghennydd, CF24 4AG. Mae'r labordy wedi'i leoli ar ochr chwith yr ail lawr. Mae grisiau yn y cyntedd yn ogystal ag ochr gefn yr adeilad. Mae lifftiau wedi'u lleoli yng nghefn yr adeilad.

DiSTEM is the Diversity in STEM network. The group is run by members from schools within the college of Physical Sciences and Engineering and cover broad topics about equality, diversity and inclusion. All our events are open to all who have an interest in the topic - unless otherwise stated in the event description.
