To the selected respondent:

Thank you very much for agreeing to take part in this important study. It consists of this self-completion questionnaire, and the interview you have already completed. The results will be published in a book due out in the next year or so.

Completing the questionnaire:

The questions inside cover a wide range of subjects, but most can be answered simply by placing a tick (✓) in one or more of the boxes. No special knowledge is required: we are confident that everyone will be able to take part, not just those with strong views or particular viewpoints. The questionnaire should not take very long to complete, and we hope you will find it interesting and enjoyable. **Only you should fill it in, and not anyone else at your address.** The answers you give will be treated as confidential and anonymous.

Returning the questionnaire:

Your interviewer will arrange with you the most convenient way of returning the questionnaire. If the interviewer has arranged to call back for it, please fill it in and keep it safely until then. If not, please complete it and post it back in the pre-paid, addressed envelope, AS SOON AS YOU POSSIBLY CAN.

THANK YOU AGAIN FOR YOUR HELP.
