Tues 17th Feb 15.00-17.00 JP 3.66	DISCUSSION/READING GROUP “How much can the body and the senses tell us about language processing? Simulation-based models.” ^{iv}	Tess Fitzpatrick and Peter Thwaites	Cardiff University staff, PGRs and academic visitors [preparatory reading required!]
Weds 18th Feb 11.00-12.00 JP 1.52	READING GROUP “Speaking our minds” by Thom Scott-Phillips*	Liz Irvine	Cardiff University staff, PGRs and academic visitors [preparatory reading required!]
Weds 18th Feb 12.10-13.00 JP 3.58	RESEARCH SEMINAR “Incidental Vocabulary Learning Through Watching Television” Michael Rodgers (Nottingham University)	Tereza Spilioti	all
Weds 18 Feb 14.30-17.30 JP 3.58	WORKSHOP “Modelling lexical acquisition and attrition” Alison Wray (Cardiff University)	Alison Wray	Cardiff University staff, PGRs and academic visitors
19-20th Feb St Michael’s College, Llandaff, Cardiff	CONFERENCE 1 Guest speakers: Chris Hall (York St John University) Paul Meara (Cardiff University) See separate programme	Tess Fitzpatrick	Cardiff University staff, PGRs and academic visitors; registered conference delegates (registration fee applies)
Mon 23rd Feb 10.30-13.00 JP 102	WORKSHOP Visualising data workshop (Gephi) Paul Meara (Cardiff University)	Paul Meara and Dawn Knight	Cardiff University staff, PGRs and academic visitors

Centre for Language and Communication Research

Weds 25th Feb 11.00-12.00 JP 1.52	READING GROUP "Speaking our minds" by Thom Scott-Phillips*	Liz Irvine	Cardiff University staff, PGRs and academic visitors [preparatory reading required!]
Weds 25th Feb 12.10-13.00 JP 3.58	RESEARCH SEMINAR "Power law or plateau: In pursuit of syllable similarities" Todd Bailey (Cardiff University)	Tereza Spilioti	all
Thurs 26th Feb 10.00-10.50 (lecture) 12.10-13.00 (Q&A) JP 2.48	UNDERGRADUATE LECTURE Language Learning and Teaching lecture Aran Jones (Say Something in...)	Tess Fitzpatrick	UGs taking module SE1329; Cardiff University staff, PGRs and academic visitors (by arrangement with organiser)
Weds 4th March 11.00-12.00 JP 1.52	READING GROUP "Speaking our minds" by Thom Scott-Phillips*	Liz Irvine	Cardiff University staff, PGRs and academic visitors [preparatory reading required!]
10-11th March St Michael's College, Llandaff, Cardiff	CONFERENCE 2 Guest speakers: Mike McCarthy (Nottingham University) Paul Meara (Cardiff University) See separate programme	Tess Fitzpatrick	Cardiff University staff, PGRs and academic visitors; registered conference delegates (registration fee applies)
Thurs 12th March St Michael's College, Llandaff, Cardiff	CORPUS RESEARCH DAY Dawn Knight (Cardiff University) Laurence Anthony (Waseda University) Mike McCarthy (Nottingham University) Paul Thompson (University of Birmingham)	Dawn Knight	Cardiff University staff, PGRs and academic visitors

For more information about these events (and about the Lexical Studies group, more generally) please visit the homepage of the Lexical Studies Group, using the QR code link given here, or by visiting: <http://blogs.cardiff.ac.uk/lexicalstudies>

ⁱ JP = John Percival Building, Cardiff University (number 16 on the map at <http://www.cardiff.ac.uk/locations/>)

ⁱⁱ The default contacts for Lexical Studies Month events are Helen Clifford cliffordh@cf.ac.uk and Tess Fitzpatrick fitzpatrickt@cf.ac.uk

ⁱⁱⁱ In advance of this session, participants should read Connell, L., and Lynott, D. (2012). Strength of perceptual experience predicts word processing performance better than concreteness or imageability. *Cognition*, 125(3), 452-465.

^{iv} In advance of this session, participants should read Bergen, B., Lau, T. T. C., Narayan, S., Stojanovic, D., & Wheeler, K. (2010). Body part representations in verbal semantics. *Memory & cognition*, 38(7), 969-981

* In advance of these sessions, participants should read the relevant section of Thom Scott-Phillips 'Speaking our Minds'. <http://www.palgrave.com/page/detail/speaking-our-minds-thom-scottphillips/?K=9781137334565>. Please contact Liz Irvine at elizabethirv@gmail.com to arrange attendance at these events.
