Table 10

Q.7 Thinking now about university education, the Welsh Government currently pays around £5,000 per year towards the university fees of a Welsh student whether he or she is studying in Wales or elsewhere in the UK. This means that £90m of Welsh Government money is going to universities outside of Wales. Which of the following statements do you most agree with?

Base: All respondents

	Gender		Age				Working Status					Social Class				Welsh Speaking
