Discover Open Access: Resource Guide

More research. Openly available.

Open Access makes research publications (full text articles, books and more) openly available to any reader. Find more scholarly materials by using these OA directories in addition to LibrarySearch.

Books

DOAB (Directory of Open Access Books)

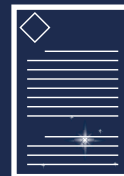

<http://www.doabooks.org>

OAPEN

<http://www.oapen.org>

Look out for the open lock symbol. Use advanced search where possible to limit your search to full text OA only.

Journals

Cardiff University Press

<http://cardiffuniversitypress.org>

DOAJ (Directory of Open Access Journals)
