Cardiff University is holding a 3 day non-residential workshop for AS level students interested in continuing on to Physics degrees.

They will be targeted at AS Level (Year 12) students and provide an insight into Physics at university level and will be given by lecturers, talking about their latest ground-breaking research.

The programme includes activities and lectures focusing on physics, astronomy and gravitational waves provided by Cardiff University lecturers.

Participants must be 16 or over. If you would be interested in receiving more information, please contact us at schools@astro.cf.ac.uk
